

DAY 10!

So, today is the 10th day we're at school during the Coronavirus. We have two different teachers today: Mrs. Lockwood and Mrs. Porter. I have interviewed them both and later on I have published questions and answers. So read on to find out how to make something CREATIVE & COLOURFUL!

Mr. Russell

How do you feel about an Anker Moor blog?

Mr. R said he is excited to share info about what is happening inside of school. Many teachers and parents who read the blog will love the fact that they are able to read about what is happening at school whilst others are at home.

Do you think the blog will attract attention to website users?

I hope so! We love the pictures that are being published on the 'Stay at home Heroes page' so the lead journalist (Eleanor, who is currently interviewing me!) thought it would be fab to do a blog for those who are still in school! What a fab idea!

WE'VE BEEN CRAFTY!

I wonder what you lot are up to at home: sewing, homework or are you crafting like us? This morning, we have had lots of fun creating our HANDY CRAFT! I, lead journalist, have created a sun by using colourful strips of paper. Here are the instructions so you can create it at home:

EQUIPMENT:

- Plain piece of white paper
- glue stick
- a variety of coloured paper
- coloured pens/crayons etc.
- scissors

NOTE: You can also do animals and monsters etc.

METHOD:

1. First, on your white piece of paper draw, the body of your animal, sun etc.
2. After you have drawn the body or outline of your creature, you can colour it in (if you wish).
3. Next, cut out a variety of different lengths of colourful paper.
4. Bend one of your strips -from end to end- and glue them together.
5. Glue one of the sides right at the bottom and stick it on.
6. Repeat these steps and HAVE FUN!!!!!!!!!!!!!!

HOPE YOU ENJOY MAKING!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

HERE'S ANOTHER IDEA YOUR WHOLE FAMILY COULD JOIN IN WITH AT HOME: AN EASTER EGG HUNT! COME BACK ON MONDAY FOR WAYS TO DO AN EASTER EGG HUNT FOR EVERYONE AT HOME!!!!!!

Now let's hear something from our teachers:

Do you feel at risk when you come into school?

Mrs. Lockwood said that she doesn't feel at risk because she knows that everyone is doing what they're told such as: washing hands, social distancing etc. Mrs. Porter said a similar answer: she knows that she has a job to do and she doesn't really think about coming into school as a risk.

How do you feel about dealing with a variety of different year groups?

Mrs. Porter said that she enjoys it and likes to be able to have the experience of working with different ages. Mrs. Lockwood said that it is lovely that she is able to get to know the younger children, watching everyone play together rather than watching them at their desks. She also enjoys seeing everyone's' creativeness.

What is it like having such a low amount of children in school?

Mrs. Porter quoted, "Strange, but enjoyable as well, because I can get to know the people who are here and give them 1-1 attention." However, Mrs. Lockwood stated, "Quiet and nice but also missing everyone but I can't wait to get back to normal."

What do you think of an Anker Moor blog?

"Brilliant idea, nice to see what people are doing." Mrs. Porter said.

As for Mrs. Lockwood," Fantastic, a great way to show everyone what we're up to and it really shows the lead journalist's (Eleanor Price) responsibility and independence."

AGAIN, I THINK ALL THESE ANSWERS AND OPINIONS ARE AMAZING.

#OPINIONS
