ESSENTIAL UNIFORM INFORMATION 2019-20

Dear Parents,

Please find attached information relating to uniform for September.

School uniform

Uniform for September will be essential as we want to start off our new school year consistently at Ankermoor.

Uniform will consist of:

- White / blue polo shirt / white or blue shirt
- School jumper or dark blue jumper
- Grey or dark trousers / shorts / skirts / dresses
- Dark footwear - no colours or prints on footwear (this will be monitored in 2018-19)

It is important that all uniform is worn correctly to show high expectations and a sense of pride in our children. Most of our children do show pride in their dress and this will need to continue in 2018-19. Inconsistent dress will be followed up and a clothing option provided for those who cannot follow the dress code.

P.E / Games kit

All children will have an indoor and an outdoor P.E session to extend their physical activity. For this to happen, the correct kit must be in school every day:

- White T-shirt
- Dark shorts
- Trainers (MUST be a change of footwear) / Indoor - bare feet
- Dark tracksuit for outdoors - no leggings

All kit needs to be left in school and easily accessible to the children every day.

Earrings and jewellery

We would prefer children not to wear earrings in school but if so children may wear a plain stud. No other jewellery should be worn.

All children will be asked to remove earrings for P.E. or not worn on P.E days. (Tape will not be provided or allowed for P.E). This is for health and safety reasons and follows school policy.

Nail Varnish

Nail Varnish will not be permitted in school.
