What's happening at Ankermoor...

Dear Parents,

10 October 2019

WORLD MENTAL HEALTH DAY

Year 1 Inspire Workshop
Don't forget to come and join in with your child for the Year 1 Workshop on Monday at 9.15am.

Yesterday, all staff and children dressed in yellow to celebrate World Mental Health Day. Activities were completed to celebrate this day and a whole school assembly completed to raise awareness of this area. Ofsted commented on how pupils partake in activities relating to Mental Health and we know this is something that Mrs Bryan and the rest of the staff are very focused on.

Next week, Malachi will be in school to support classes with 'Mental Health and Well-Being' Workshops. This is an excellent link and one that Mrs Bryan has worked hard to establish.

WHAT ELSE IS GOING ON...

...OFSTED...

Can we thank all parents for their kind comments given to staff over the last few weeks. We know we are on a journey and have some amazing staff who are committed to giving your children the best possible experiences at Ankermoor! Your kind words mean such a lot and we will continue to do everything to make school life even better! Thank you.

Parents Evening

We had an amazing turnout for parents evening this week. In fact, it was the best turnout of parents we have ever had! This is essential to help you know where your child is at! This time, we gave out 'age-related expectations' for reading, writing and maths so you are aware of what is expected of your child at their age and stage.

Parent Donation

Massive thanks to Mr and Mrs Harris who have donated a large amount of money to our school. We know we will look to purchase resources for our children in school to make learning even better!

HARVEST ASSEMBLY

Well done to year 5 on their Harvest Assembly last week. The children really enjoyed telling us about Harvest and the importance of harvesting food especially for those less fortunate than ourselves. Thank you for all the donations given to school. The FOODBANK collected the donations this week so a massive 'pat on the back' to everyone involved.

Travelling to school

We now have a large proportion of children travelling to school on bikes. We have educated them about the dangers of crossing the roads. Please make sure your child is careful especially when out on their own.
