What's happening at your school... Read on...

Dear Parents,

What an amazing WOW week we've had based on Food technology! Every class based their week on a Food focus. Children blended, whisked, baked, chopped, mixed and ATE food! They all thoroughly enjoyed the week and loved the opportunity of making or cooking something! We look forward to our next WOW week in May and children completing more practical based learning opportunities!

Mr Simon Russell
Head teacher

Email: office@ankermoor.staffs.sch.uk

HM Government

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
