

Fierté Multi Academy Trust
Ankermoor Primary Academy

Online safety at school and home.

During this period, I am aware that there will be an increase in the amount of time children spend 'online' especially with our encouragement of the Team's channels.

In order to safeguard our children and the school, an acceptable user policy has been created. This policy shares numerous statements which children need to understand and agree to. Of course, there are different statements and expectations for Key stage 1 and 2 but all are extremely important.

User acceptance policy

Please click the link below and read the statements to your child/children. Feel free to explain what each one means so they have a full understanding as this is vital.

Confirmation of acknowledgement- User acceptance policy

Once you have read the relevant information and fully understood it, can you then click the link below and complete the form which will register your child to say they have done this. You will need your child's Office 365 accounts to do this.

Reporting online abuse or bullying

Children will now have a secure and accessible system to report any abuse or cyber bullying. A form has been created for children to fill out and a report will be sent to school to ensure teachers can act accordingly. This procedure allows children to report abuse or issues of any kind in regards to the online world. Whether it be, 'your child is receiving abusive messages' or 'has been contacted by someone they do not know'. All these issues can now be reported and resolved quickly and easily.

<https://forms.office.com/Pages/ResponsePage.aspx?id=IksIyJx0OKWsK1eu8-7dffXnWoMztDNEsS3KaiOyxGZUOUdXU09FWE05V1E2M1M2RFhPVTJDRkVPQi4u>

All of these forms will be added to each class team; the website within the E-safety page and in this letter.

Kindest regards,

Mr Macdonald
