Dear Parents and Carers,

As mentioned last week, government guidance has now been released to all schools for a FULL re-opening in September. We will be writing a new Risk Assessment to ensure we are safe in school when we do re-open fully from Thursday 3rd September.

Please find some key information from the government update sent to all schools:

- Schools will **re-open to ALL children** from Thursday 3rd September with children in class bubbles to minimise contact and mixing.
- Attendance in schools will be compulsory – children must attend legally.
- Staggered starts, breaks, lunches and finish times will continue in September therefore minimising contact and mixing.
- School will be open every day – No half days on a Wednesday.
- Uniform will need to be worn in school.
- Cleaners will be in all day, every day to ensure a safe environment.
- No whole school gatherings will take place e.g. parent events or assemblies to ensure minimal contact and mixing.
- Breakfast club will commence but must be pre-booked to ensure we know numbers.

If you require any further information, please call the school so that you are fully aware of the expectations in September.

Stay safe and take care.

Kind regards,

Mr Simon Russell
