Parent Planner

Class: Team Nene Year 5

Term: Autumn 1

04 October 2021

Re: Parent Planner 2021-22

Dear Parents,

Welcome to Team Nene! We have an exciting year planned and look forward to working with your child to make great progress in their learning.

To support you with your awareness of what is happening in our school, we will now be sending out a half termly parent planner which will list all information about subjects and also information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time **to a high standard** so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. **Please do not worry over homework - the most important thing is to have a go. :)**

We look forward to the year ahead!

Kind regards,

Mrs Price
Y5 Class teacher

Computing	Strand: Computer Science. Computation thinking & Coding Topic: Micro-bit world		
PE (Wednesday)	Invasion Games / Dance		
MFL - French	Phonics lesson 1 / 2 I'm learning Fr, SP, It		
Music	Key board and steel pan drums music playing - Havana, Wellerman, The bare and the hare singing.		
Homework activity	Additional detail	Expectation	Rewards
Reading 	Record in your reading diary when you have read. Try and read 3-5 times per week. Please try to read to an adult. Adults - please use the Canine questions that will be in the home / school diary. We are focusing on a canine each week to check your child's understanding about what they have read. It is important that children read for pleasure but also that they understand what they are reading.	5-10 minutes per session	House points and reading challenge rewards.
Grammar and Spelling 	Look at the Statutory Spellings / Common Exception words sent home by your teacher - work on these at home. These will be retested each term. Grammar bug can also be used to support this. Check your home / school diary to see if there are any words listed in there.	5 minutes per session	House points given Spelling bee challenge
Targeted 	All extra homework is targeted according to need so if your child has struggled in a particular area they will receive targeted strengthening homework for this. Likewise, if your child needs to consolidate the learning or to deepen their understanding further. It could be maths, grammar, spelling, comprehension or even Handwriting. Please check Teams for this as an assignment will be set. This may include a teaching video attached to further support. This will also be recorded in your child's diary.	15 minutes depending on focus As necessary, Maximum one piece a day.	House points given
Homework 	TTRS / Numbots is a great resource to practice basic skills in Maths. It is expected that you child knows all times table and division facts to 12 x 12.	5 minutes	House points given Weekly certificates

Home learning for our topic on North America.

Here are some creative tasks that your child could do to make them into incredible learners. I look forward to seeing your creative projects.

Please complete any or all of them if you like:

- Create a holiday brochure about places on interest in North America.
- Create a Map of the states of America, which identifies physical and human features. These could be 3D.
- Create models of famous features in North America and a fact file of interesting facts.
