

**Our Remote Learning – Wednesday 1st February
Learning Passport for Year Two**

Complete 5 out of 7 activities to share with your class and Mrs Keay on Thursday.

Add a smiley face when you have completed the activity and place it in your wallet to bring back to school.

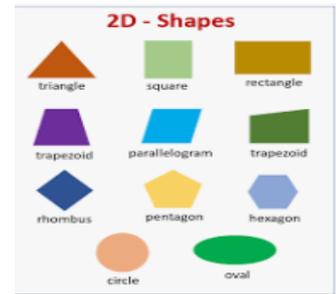

Maths

Starter: [Shape Patterns \(topmarks.co.uk\)](http://topmarks.co.uk)

Main lesson:
[To compare different amounts of money \(thenational.academy\)](http://thenational.academy)

Oak Academy Lesson – Key Stage One – Maths- Money
Use the link on **Oak Academy to** access the lesson about comparing different amounts of money.

1. There is a quiz to answer.
2. Video to Watch
3. Complete the money activity
4. **Mrs Keay's incredible challenge:**
Challenge: Draw around coins and create some coin challenges to share with a friend in school tomorrow. Which set has most money? Remember to prepare an answer sheet.

Reading

Read your school book to an adult for 15 minutes.
Record this in your reading log.

Activity: Talk about the story with an adult. Predict what might happen next.

Mrs Keay's Incredible Challenge:

- Think about your favourite book or The Smartest Giant in Town (see below)
- Use the book template to design a front cover for your favourite book.
- Remember to use your neatest drawing and colouring so we can add these to display in class or around school.

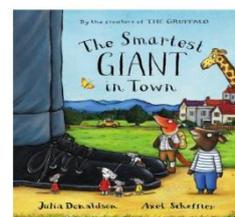

Writing

Watch the Smartest Giant in Town Story on You Tube.

[The Smartest Giant in Town - Julia Donaldson audiobook.](#)
[Children's story book read-aloud - YouTube](#)

Choose one of the following ideas to create a piece of writing:

- Your own version of the story.
*You could change the main character or the clothing that they give away.
- Letter – pretend to be one of the animals in the story and write a Thank you card or letter to the giant.
- Character Description – Write a character description about the Giant. (Height, Hair colour, clothing, age, personality)

<p>Science</p>	<p>Habitats</p> <p><u>Oak Academy – Key Stage One – Science - Habitats</u></p> <p>What is a habitat? (thenational.academy)</p> <p>Mrs Keay's incredible challenge: Make a set of cards or a poster with key information which you have learned from the lesson about habitats.</p> <p>You can teach others using your flashcards or poster when you get back to school on Thursday.</p>	
<p>Art and Design</p>	<p>Design a 3d house which the Smartest Giant might live in. This could be from different materials such as:</p> <ul style="list-style-type: none"> • Lego. • Blocks. • Drawing/colouring • 3d/Junk modelling -decorating the outside with different textures eg: bubble wrap roof, cotton wool door, bricks made of pasta. <p>Or</p> <p>Create a piece of clothing which the Giant might wear. Be creative and use materials which you have at home</p> <p>Eg: collage (feathers, sequins, beads, cotton wool, wrapping paper)</p> <p>Crayon</p> <p>Felt pens/gel pens</p>	
<p>Dance/PE</p>	<p><u>Oak Academy Lesson – Key Stage One -Dance</u></p> <p>Jack and the Beanstalk: an introduction to storytelling through dance (thenational.academy)</p> <p>Jack and the BeanStalk style Dance.</p> <p>Adult supervision needed – please listen to the safety expectations.</p> <p>Mrs Keay's challenge: Can you create a dance linked to the Smartest Giant in Town to share with your class?</p>	
<p><u>Numbots</u></p>	<p><u>Numbots</u></p> <p>Use your numbot log in to practice your number facts</p>
