**Relationships and Sex Education
Relationships and Health Education**

Dear parent/carer,

In line with Government guidance, the PSHE and Science topic for the second half of the summer term for year 5 pupils is **Puberty**.

If you would like to see a copy of the on-screen lesson guides or the videos used within the topic, please make an appointment to see us via the school office. Unfortunately, due to copyright ownership we are not allowed to share these with this letter.

The following guidance is taken from the Fierté Multi-Academy Trust RSE policy:

Your right as a parent

*Parents/carers have the right to withdraw their child from some, or all, sex education lessons delivered as part of the RSE curriculum, **but not statutory science lessons** and Head Teachers will automatically grant this. Should parents consider taking this step, they are advised to talk it through with their child and then with the Head Teacher. Should parents decide this step is necessary, they will be accepting responsibility for educating their child about RSE or the element of this their child is withdrawn from in order to mitigate potential detrimental effects of withdrawal. There is no right to parents for them to withdraw their child from Relationships or Health Education.*

If you do wish to withdraw your child from part or all of this learning, please notify the office before **Friday 27th May 2022**.

Yours faithfully

Mr S Russell

Mrs E Bryan

Mr MacDonald

Learn Together, Achieve Together
